

Australian Gold®

THE AUSTRALIAN GOLD STORY

Established in 1985, Australian Gold was founded on a love for Australia and its sun-loving lifestyle. First selling in beach and surf shops in Florida, Australian Gold has now grown world-wide. Inspired by the beach that put us on the map, Cocoa Beach, our signature fragrance Cocoa Dreams brings you instant memories of good times and sunshine every time you open the bottle.

As the experts in sun care, we create high-quality products and take skincare seriously. Always innovative and ingredient-conscious, we ensure our products are formulated to provide a one-of-a-kind experience for everyday use and protection. Our products are developed with individually hand-picked ingredients to create the best formulas, while extensive quality assurance processes ensure each product maintains our high-quality standards.

Our goal is
to keep you
and your
loved ones
protected
so you can
*Celebrate
Life Outside!*

AUSTRALIAN GOLD CLASSIC SUNSCREEN

Sunscreen with Bronzers

Each Australian Gold bronzing sunscreen contains our signature Cocoa Dreams fragrance. This delectable fragrance combination of coconut, orange and vanilla will remind you of warm, sunny days.

Our bronzers are comprised of a blend of ingredients known to provide immediate color to your skin. Unlike a sunless tanner, our bronzers wash away with ease and are ideal for those wanting a natural bronze tint.

Lotion

Fast absorbing and non-greasy, lotions allow even application with broad-spectrum protection.

SPF 15 Lotion with Bronzer 237 mL

SPF 30 Lotion with Bronzer 237 mL

SPF 50 Lotion with Bronzer 237 mL

Spray Gel

Spray Gels are a hybrid of traditional sprays and lotions. Perfect for those looking for the convenience of a spray with the hydration of a lotion.

SPF 15 Spray Gel Bronzer 100 mL
 SPF 30 Spray Gel Bronzer 100 mL
 SPF 6 Spray Gel Bronzer 237 mL
 SPF 10 Spray Gel Bronzer 237 mL

 SPF 30 Spray Gel Bronzer 237 mL
 SPF 50 Spray Gel Bronzer 237 mL

GENERAL PROTECTION SUNSCREEN

Australian Gold General Protection Sunscreen is made with real, nutrient-rich Australian ingredients to help moisturize and nourish while drying with a clear finish and no white cast.

Our formulas are developed to be as clean as possible, without sacrificing powerful sun protection. Enjoy the protection of our Ultimate Hydration collection and indulge yourself in our signature fragrance, Cocoa Dreams.

Lotion

Fast absorbing and non-greasy, lotions allow even application with broad-spectrum protection.

SPF 50 Lotion 100 mL
SPF 30 Lotion 237 mL
SPF 50 Lotion 237 mL

Face Guard and Lip Balm Sunscreen Stick

Great for travel, our Face Guard and Lip Balm are perfect for on-the-go protection in a mess-free application stick.

SPF 30 Coconut Lip Balm 4.2 g
SPF 50 Face Guard Stick 14.1 g

EXTREME SPORT SUNSCREEN

Our Extreme Sport sunscreens are specifically designed with active lifestyles in mind. Made with nutrient-rich Australian ingredients to help moisturize and nourish the skin, this formula dries clear on the skin and leaves no white cast.

Ultra Chill technology provides sweat activated cooling and helps neutralize odors to keep skin feeling and smelling fresh all day. The crisp Coastal Breeze fragrance is light, clean and airy- perfect for an active day in the sun.

Spray Gel

Spray Gels are a hybrid of traditional sprays and lotions. Perfect for those looking for the convenience of a spray with the hydration of a lotion.

SPF 30 Spray Gel with Active Chill 237 mL

KIDS AND BABIES

Little Joey

Pediatrician tested, Hypoallergenic and Fragrance Free, our Little Joey is formulated for the most sensitive skin. This body sunscreen neutralizes pH while remaining Paraben and Mineral Oil Free. Stay worry free and protect the whole family with Little Joey.

Little Joey is designed for children over six-months in age. For children under six-months-old, please consult a doctor.

Lotion

Fast absorbing and non-greasy, lotions allow even application with broad-spectrum protection.

SPF 50 Kids Lotion 237 mL

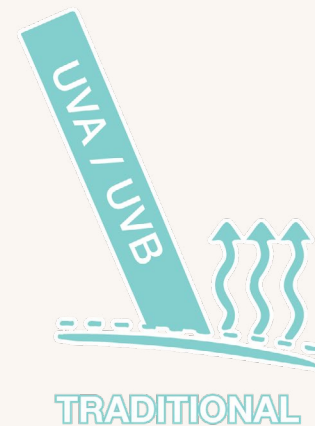

BOTANICAL SUNSCREENS

Australian Gold Botanical Sunscreen

With a powder-like matte finish and never greasy, this broad-spectrum collection features vitamins and antioxidants derived from botanical ingredients. Hypoallergenic, Dermatologist and Pediatrician Tested, our Botanical sunscreen is safe and effective for children, teens and adults.

MINERAL VS. TRADITIONAL SUNSCREEN

There are two general types of sunscreen — traditional and mineral.

Traditional sunscreens work by absorbing the sun's rays, while mineral sunscreens protect skin by blocking the sun's rays.

All Australian Gold sunscreens provide Broad-Spectrum UVA/UVB protection. An important factor when choosing sunscreen.

Botanical Tinted Face Sunscreen

Designed specifically for sensitive facial skin. Australian Gold's Botanical Tinted Face Sunscreen blends seamlessly into the skin with a powder-dry finish. With three mattifying shades, our Botanical Tinted Face Sunscreen doubles as a BB cream and is travel friendly.

Botanical SPF 50 Tinted Face Mineral Lotion – Fair to Light 88 mL
Botanical SPF 50 Tinted Face Mineral Lotion – Medium to Tan 88 mL

AUSTRALIAN GOLD PLANT BASED SUNSCREEN

The Australian Gold Plant Based Line uses the natural and effective power of plants to provide excellent skincare for your face and body while protecting the skin from UVA and UVB rays. Formulated with high concentrations of Aloe Vera and Coconut Oil, these lotions are for those looking for a plant derived sunscreen option.

Plant Based SPF 50 Face Lotion 88mL
