OUR EXPERTISE:

360° COLLAGEN & ANTI-INFLAMMATORY SOLUTIONS

Swissline specializes in 360° advanced solutions that ignite collagen production and calm inflammation, the root cause of many skin concerns.

Embrace the transformative power of our formulations and treatments, meticulously designed to promote self-recovery, firmness, and a healthy, youthful appearance.

360° Collagen

What makes our approach to collagen unique?

Using two different molecular-weights of collagen (marine origin), in combination with a host of collagen-boosting peptides and plant-based growth-factors, specifically targeted at fibroblasts.

What else makes our formulation special?

Caring for skin at the cellular level...

CELLACTEL 2 COMPLEX

Since 2002, a blend of bio-nutrients to revitalize skin at its core, stimulating different metabolisms while increasing oxygen consumption at the cellular level, promoting a healthy, resilient complexion through this targeted cellular care.
